116TH CONGRESS
1ST SESSION

H. R.

To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.

IN THE HOUSE OF REPRESENTATIVES

Mr. GRIJALVA introduced the following bill; which was referred to the Committee on _____

A BILL

To amend the Animal Welfare Act to restrict the use of exotic and wild animals in traveling performances.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Traveling Exotic Ani-
5 mal and Public Safety Protection Act”.

6 **SEC. 2. FINDINGS.**

7 The Congress finds that—

8 (1) conditions inherent to traveling perform-
9 ances, including constant travel, temporary and col-

1 lapsible facilities, and the prolonged confinement
2 and physical coercion of animals, subject exotic and
3 wild animals to compromised welfare and chronic
4 stress, and present public and worker health and
5 safety risks not adequately addressed by current reg-
6 ulation;

7 (2) current regulatory oversight of traveling
8 performances is complex and costly, and these costs
9 are not typically recouped via licensing fees, but are
10 left to the American taxpayer;

11 (3) the frequent mobility of traveling perform-
12 ances complicates oversight such that agencies and
13 authorities cannot properly monitor, evaluate, or fol-
14 low through regarding the condition of animals or
15 facilities, or their history of potential injuries, inci-
16 dents, illnesses, violations, or other issues, and so
17 cannot properly protect animals, workers, or the
18 public;

19 (4) traveling exotic and wild animal perform-
20 ances use collapsible, temporary, mobile facilities,
21 which risk escape and serious harm to animals,
22 workers, and the public;

23 (5) traveling exotic and wild animal perform-
24 ances present safety risks by permitting or not pre-
25 venting public contact and by displaying animals in

1 inappropriate, uncontrolled areas in dangerous prox-
2 imity to humans and other animals;

3 (6) exotic and wild animals have intrinsic value;
4 their wild instincts and needs are unpredictable and
5 are not naturally suited to traveling performances,
6 and they suffer?as a result of being unable to fulfill
7 instinctive natural behaviors;

8 (7) exotic and wild animals used in traveling
9 performances suffer severe and extended confine-
10 ment, and, deprived of natural movements and be-
11 haviors, are prone to chronic stress, behavioral,
12 health, and psychological problems;

13 (8) exotic and wild animals are forced to per-
14 form unnatural tricks requiring extreme physical co-
15 ercion, including, but not limited to the use of food
16 and water restrictions, electric shock devices,
17 bullhooks, metal bars, whips, shovels, and pitchforks,
18 among other abuses;

19 (9) it is not necessary to use exotic or wild ani-
20 mals in traveling performances to experience the cir-
21 cus or similar events;

22 (10) using exotic or wild animals as commod-
23 ities traded for traveling performances adds nothing
24 to the understanding and conservation of such ani-
25 mals and the natural environment, and actually un-

1 dermines conservation efforts necessary to protect
2 threatened and endangered species;

3 (11) it is not possible to provide or ensure pub-
4 lic and worker safety or appropriate physical and
5 mental welfare for exotic and wild animals under the
6 traveling performance business model, which inher-
7 ently and significantly restricts animals' natural
8 movements and behaviors, and where abuse is preva-
9 lent and oversight problematic;

10 (12) the use of exotic or wild animals in trav-
11 eling performances is or substantially affects inter-
12 state or foreign commerce, or the free flow thereof;
13 it is essential to regulate such activities to assure
14 animals' humane care and treatment; and

15 (13) restricting the use of exotic and wild ani-
16 mals in traveling performances is the most cost-ef-
17 fective and efficient way to safeguard animals, work-
18 ers, and the public.

19 **SEC. 3. USE OF EXOTIC OR WILD ANIMALS IN TRAVELING**
20 **PERFORMANCES PROHIBITED.**
